EDUCATION AND TRAINING

- Dates (from – to)
- Title of qualification awarded
 - Principal subjects
- Name and type of organisation providing education and training

1997-2003

MD

Thesis Title: “Doppler Myocardial Imaging in patients with atrial septal defects, a study before and after percutaneous septal device closure”. Graduated with top marks.

Monaldi Hospital, Second University of Naples, Naples, Italy

- Dates (from – to)
- Title of qualification awarded
 - Principal subjects
- Name and type of organisation providing education and training

2004-2007

Specialist in Cardiology

Thesis Title: “Evaluation of left ventricle systolic function and torsion with 2D strain in patients with acute anterior infarction”. Graduated with top marks.

Monaldi Hospital, Second University of Naples, Naples, Italy

- Dates (from – to)
- Title of qualification awarded
 - Principal subjects
- Name and type of organisation providing education and training

2008-2011

PhD

Thesis Title: “Evaluation of left ventricle systolic function and torsion with 2D strain in patients with acute anterior infarction and after revascularization”. Graduated with top marks.

Monaldi Hospital, Second University of Naples, Naples, Italy

- Dates (from – to)
- Title of qualification awarded
 - Principal subjects
- Name and type of organisation providing education and training

April 2018-May 2019

Specialization

Intensive cardiac care unit

Niguarda Hospital, Bicocca University of Milan, Milan, Italy

- Dates (from – to)
- Title of qualification awarded
 - Principal subjects
- Name and type of organisation providing education and training

March 2022-March 2023

Master II level

Clinical competence heart failure. *Thesis title:* “Heart team in advanced heart failure: proposal of an organizational model and preliminary experience in a Third Level Center”. Graduated with top marks.

ANMCO- Florence University, Florence, Italy
